This is entirely against the rules of the quarantine and att. Lathrop says that prosecutions are certain to follow for those who insist on continuing to disobey.

For a closing day, the crowd at the fair was unusually large. This, in part, is attributed to the fact that rain kept many away on Wednesday who otherwise would have attended on that day. The closing day, however, has become increasingly popular of late years and the success on Thursday was very pleasing to the management. Judge L.
